Create your world with your style

MSD Parquet provide a wide selection that adjusts to every style and time period.
You are unique and your style needs to reflect your uniqueness.

We offer you not only a product but the feeling of ‘coming home, switching-off from all hectic and start enjoying by wandering off in your own created world that reflects yourself.
You can feel our core production value under your feet; ‘Quality’. And see where our persistancy lays; ‘Innovation’ A Cutting-edge technology, using the latest features of micro-beveled edges, enhanced painted bevels & Embossed in Register spotlessly, which generate the most alluring designs.

Dare to live as the real world

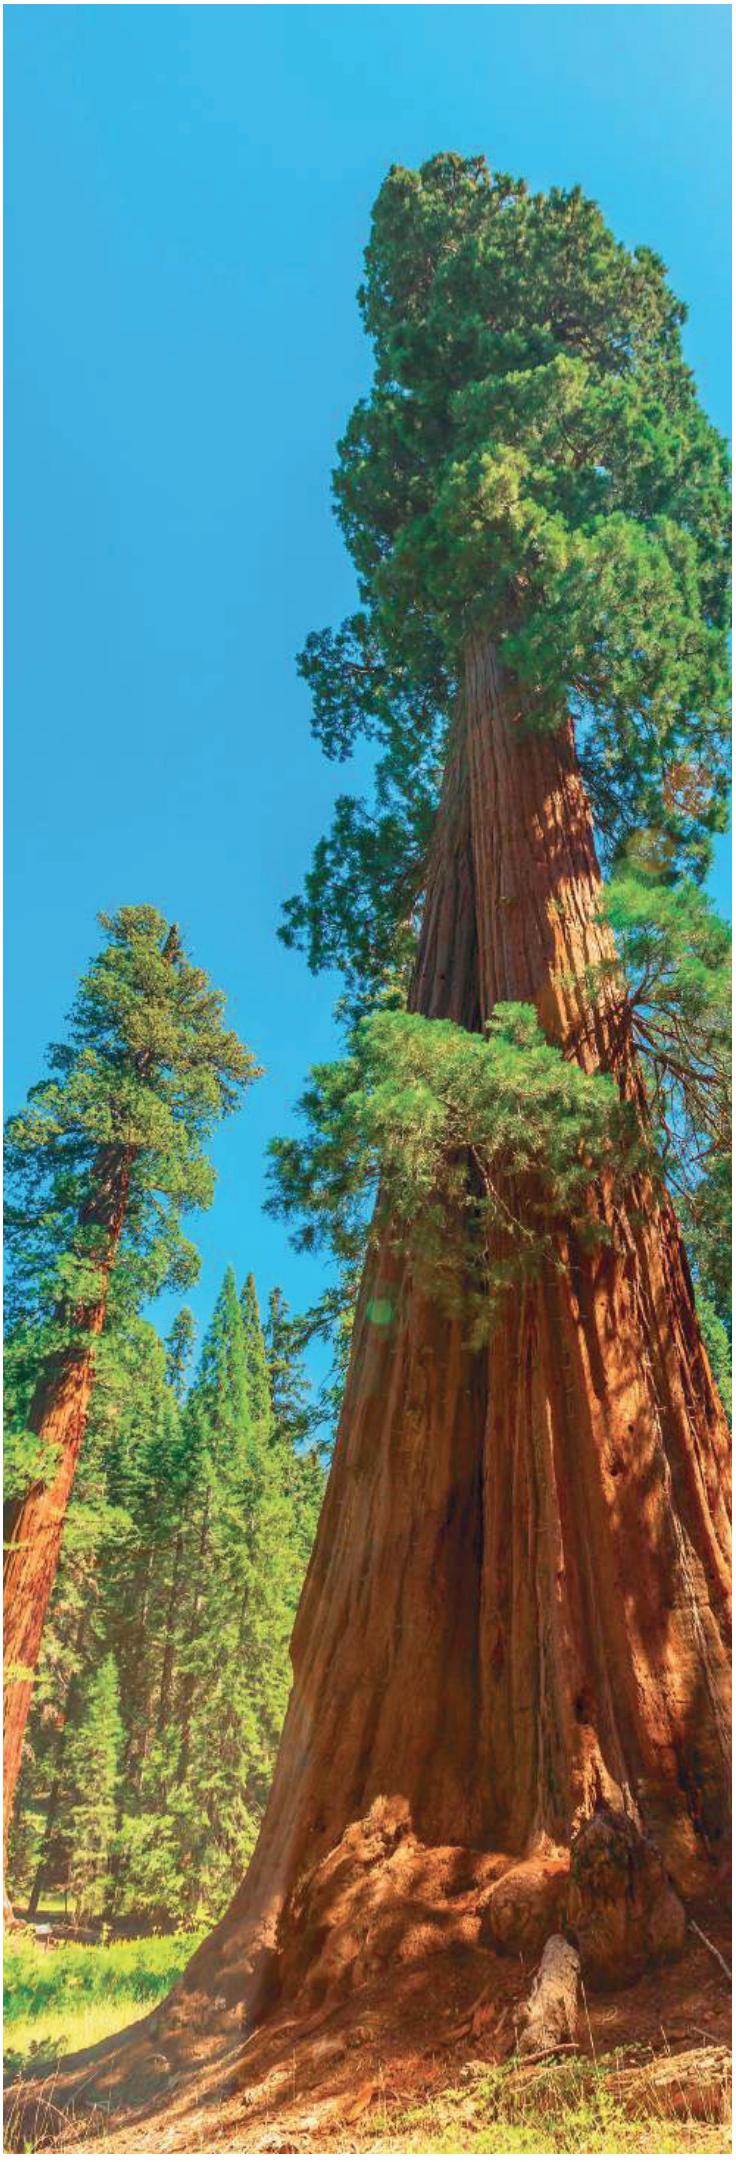

Our floors contain all qualifications to stay resistant to all challenges of daily lives.
The entire product range is 100% water and fire resistance.

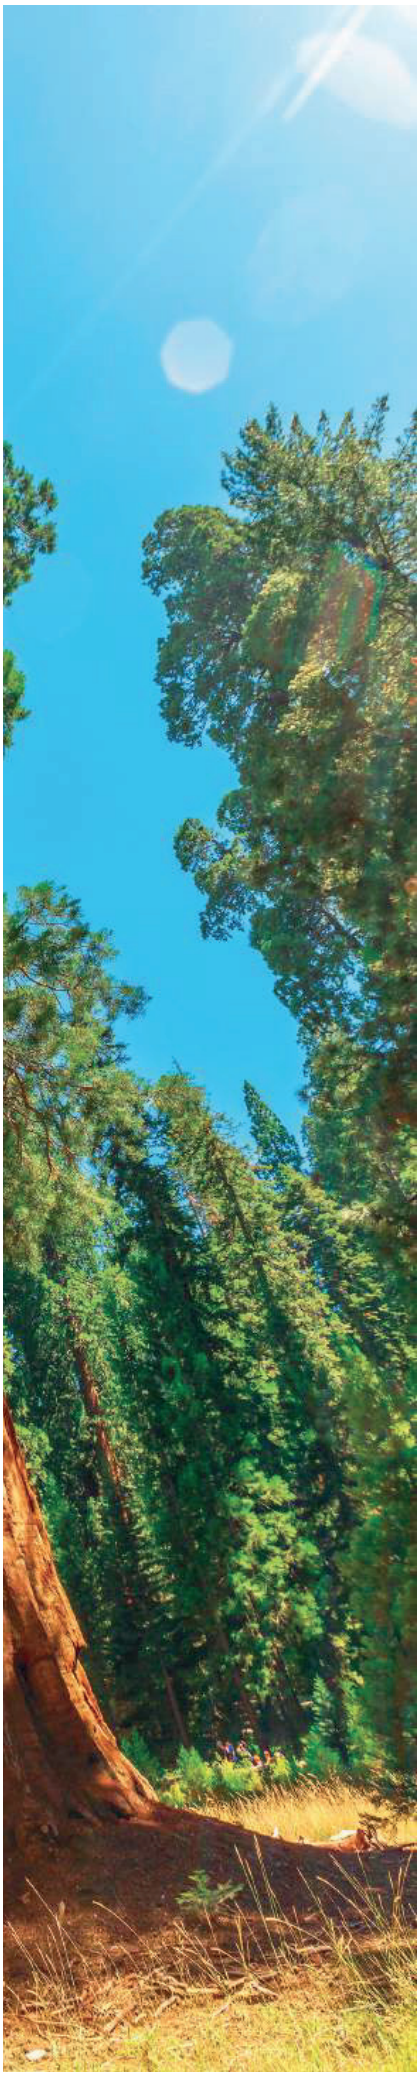

The Waterproof core, flexible vinyl and protective wear layer allows you to use them safely in all MSD Parquet where there is a risk to come in touch with water and fire. There is
no chance for warp or buckle. Our SPC floorings will keep it`s original appearance throughout guaranteed life time. All MSD Parquet come with extended lifetime warranty.

Cutting-edge technology that provides simplicity

With a cutting-edge technology, we make it possible to easily install, maintain and use the floors with joy. With our advanced Unilin patented click systems, floorings can be applied flawlessly.

Effortful installation methods such as gluing or nailing will no longer annoy you, besides there is no need for additional underlay-ment over outdated floorings.
Leave out old-fashioned maintenance concerns and unhealthy adhesive scent.
Our flooring planks demand no care all over their service life whatsoever.
